19 STUDENT NOTIFICATIONS Read the following important notices.

Confidentiality of Student Records: *The Family Rights and Privacy Act of 1974 provides that "Directory Information" may be released to the general public upon request unless the student has specially requested in writing that some or all of the information not be released. A form is available upon request from the office of the Registrar.*

Student Disabilities: *Any student with a disability who wants to request accommodations, assistance, or information should contact Student Disability Services at (850) 973-1611 (TTY).*

Collection of Student Social Security Numbers: *In compliance with Florida Statute (F.S.) 119.071(5)(a), North Florida College (NFC) issues this notification regarding the purpose for the collection and use of your Social Security Number (SSN). In addition, 119.071(2)(a)(II), F.S., authorizes NFC to collect and use your SSN to perform the College's duties and responsibilities for the following purposes: student record management; identification and verification; tracking (also authorized by 1008.386, F.S.); VA benefits (also mandated by 38 USC 3471); and reporting to authorized agencies of the state and federal government (also authorized by 26 USC 6050S). To protect your identity, NFC will maintain the privacy of your SSN and never release it to unauthorized parties. The College assigns you a unique student identification number which is used for educational purposes at NFC, including access of your college records.*

Excess Hours Advisory Statement: *Section 1009.286, Florida Statutes, establishes an "excess hour" surcharge for a student seeking a baccalaureate degree at a state university. It is critical that students, including those entering Florida colleges, are aware of the potential for additional course fees. "Excess hours" are defined as hours that go beyond 120% of the hours required for a baccalaureate degree program. For example, if the length of the program is 120 credit hours, the student may be subject to an excess hour surcharge for any credits attempted beyond 144 credit hours (120% x 120).*

All students whose educational plan may include earning a baccalaureate degree should make every effort to enroll in and successfully complete those courses that are required for their intended major on their first attempt. Florida college students intending to transfer to a state university should identify a major or "transfer program" early and be advised of admission requirements for that program, including the approved common prerequisites. Course withdrawals and/or repeats, as well as enrollment in courses nonessential to the intended major, may contribute to a potential excess hours surcharge.

20 STUDENT AGREEMENT Read the following statement and sign below.

I certify that the information given in this application is complete and accurate, and I understand that to make false or fraudulent statements within this application or residency statement may result in disciplinary action, denial of admission, and invalidation of credits or degrees earned pursuant to 837.06, Florida Statutes. I certify that I will abide by all the regulations of North Florida College (NFC) and the laws of the State of Florida. I agree that as a condition of my admission, I will not engage in the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance or alcohol during enrollment at NFC. I further certify that if it becomes necessary for NFC to engage the services of a collection agency or to initiate legal action to collect fees for tuition or any other services provided by NFC, I will be responsible for all costs of collection, including but not limited to reasonable attorneys' fees.

I understand that this application is for admission to the program identified on page 1 and is valid only for the academic year in which I apply. A new application may be required if I wish to change my educational goal.

I also understand and agree that I will be bound by the college's regulations concerning application deadlines and admission requirements. I further agree to the release of any transcript, student record, and test scores to the college (including my ACT Inc., Florida College Entry-Level Placement Test, or SAT-I score reports that the college may request from the College Board, ACT Inc., or another Florida public college or university.) I hereby authorize NFC to release or request electronically my transcript and placement scores to or from a Florida college or university. I also authorize NFC to electronically request transcripts on my behalf. Should any of the information I have given change prior to or during my enrollment at NFC, I shall immediately notify the Office of the Registrar in writing. FLORIDA RESIDENCY DECLARATION FOR TUITION PURPOSES

A Florida "resident for tuition purposes" is a person who has, or a dependent person whose parent or legal guardian has, established and maintained legal residency in Florida for at least twelve (12) consecutive months preceding the first day of classes of the term for which Florida residency is sought.

- Residence in Florida must be a bona fide domicile rather than for the purpose of maintaining a residence incident to enrollment at an institution of higher education.
- To qualify as a Florida resident for tuition purposes, you must be a U.S. citizen, a foreign national in a nonimmigrant visa classification that grants you the legal ability to establish a bona fide domicile in the United States, a permanent resident alien, parolee, asylee, Cuban-Haitian entrant, legal alien granted indefinite stay by the U.S. Citizenship and Immigration Services, or other qualified alien as defined under federal law. Other persons not meeting the twelve-month legal residence requirements may be classified as Florida residents for tuition purposes only if they fall within one of the limited special categories authorized by the Florida Legislature pursuant to section 1009.21, Florida Statutes (see "Qualification by Exception" below). All other persons are ineligible for classification as a Florida "resident for tuition purposes."
- Living in or attending school in Florida will not, in itself, establish legal residence. Students who depend upon out-of-state parents for support are presumed to be legal residents of the same state as their parents.
- Residency for tuition purposes requires the establishment of legal ties to the state of Florida. A student must verify that the student has broken ties to other states if the student or, in the case of a dependent student, his or her parent has moved from another state.

Please print if submitting hard copy.

NON-FLORIDA RESIDENT

I do not qualify as a Florida resident for tuition purposes for the term for which this application is submitted. I understand that should I qualify for a future term, it will be necessary for me to submit an updated Residency Declaration while providing prescribed, supporting documentation to substantiate as "reclassification" of my status. I understand being classified as a non-Florida resident will not exclude me from the possibility of receiving a waiver to cover part or all of the out-of-state fee as defined in s. 1009.26, Florida Statutes. Submission of an updated Residency Declaration must occur prior to the beginning of the term for which residency is sought. I do not have to complete any further portion of this form, with the exception of signing below.
