START pursuing your nursing DREAMS at NFC this summer

72 Vocational Credit Hours | Full-Time

The A.S. Degree in Registered Nursing (ADN-RN) focuses on the nursing process; pharmacology; nursing care for adult, pediatric, aged, and pregnant patients in healthy states as well as with disorders and disease states; leadership and management for the registered nurse; as well as issues and trends that affect the professional registered nurse including career management. This is a limited access program.

CERTIFICATION: Successful completion of the A.S. Degree in Registered Nursing prepares graduates to take the National Licensure Examination for Registered Nurses (NCLEX-RN). A passing score on this exam and registration with the Florida State Board of Nursing enables graduates to seek employment as a Registered Nurse (RN) in the state of Florida.
