ACCUPLACER Next Generation and Mathematics:

- The QAS sub-test cut score for "college ready" per FLDOE is 261 | This qualifies students to take "gateway" courses MAT 1033, MGF 1130, MGF 1131, or STA 2023 at NFC.
- Students planning to take the algebra sequence of courses at NFC must take the AAF sub-test and score a minimum of 263 to be eligible for MAC 1105. Otherwise, students can use MAT 1033 as a prerequisite for MAC 1105 eligibility without a score from the AAF sub-test.
